Highlights of this year's Symposium include:

- Kick-off ICPHSO 25th Anniversary Silver Jubilee Year
- Anniversary event at Splitsville, Disney Springs: Wednesday, February 21, 2017(nominal charge to attend; free bus transportation provided; games, and refreshments included; limited space available)
- CPSC Morning - Thursday, February 22, 2017
- International Sessions - Thursday afternoon, February 22, 2017
- Interactive participation by attendees during Symposium
- Interactive Lunch Event: Friday, February 23, 2017
- 25th Anniversary trivia and prizes throughout the Symposium

The 2018 Annual Meeting and Training Symposium will feature more than 30 non-repeating plenary, breakout, and tutorial sessions along with keynote presentations from product safety leaders. Here are highlights of just some of the sessions being planned:

Tutorials:

(Non-repeating Tutorials on Tuesday, February 20, 2017, beginning with lunch at noon - consider sending multiple staff)

- Lithium Ion Battery Safety
- Assisting Customer Service Representatives to Identify Emerging Hazards
- Ethics & Product Safety
- Leveraging the Reach of Health and Human Service Providers to Enhance Product Safety
- State Action on Chemicals and Other Products Including Prop 65 Changes
- IOT Safety
- Keeping Retailers Happy and Consumers Safe - Product Certification/Documentation
- When to Regulate vs Standards Development

Plenary Sessions:

- Accelerating Product Safety Through Emerging Technologies
- Interactive Product Safety Crisis Simulation
- Best Practices Managing Third Party Risks
- Disrupting the Status Quo To Move Safety Forward

Breakout Sessions:

- Safe at Any Speed: Hi-Tech Products Coming to Market
- Collaboration is Key: Creating a Roadmap for Global Standards Alignment
- Social Media and Product Misuse
- Yesterday, Today, and Tomorrow: How increased access to information has and will impact consumer expectations for safety
- Manufacturers: Practical Solutions to Complex Issues
- Increasing Recall Reach with Social Media Platforms
- Safety Innovation to Meet the Challenges in the Exponential Age

Keynote Speakers:

- Leaders in Product Safety Community

As you can see, we are planning a comprehensive and instructive Symposium that you won't want to miss. Attendees will enjoy multiple days of networking opportunities with sponsors, exhibitors, and other attendees during breaks, meals, and evening receptions.

This is a must-attend event by global health and safety professionals for the latest information, education, and training involving product safety issues. Register today and be sure to reserve your hotel room now before they are all taken. ***We can't wait to see you in Orlando!***
