

UNSOLICITED EMAIL OFFERING ICPHSO ATTENDEE LISTS

3/12/18

ICPHSO is aware of certain unsolicited email being sent to ICPHSO members and Symposium attendees. ICPHSO does not sell or provide any email list to outside parties for marketing purposes. We provide attendee lists to attendees and sponsors and ask that it not be sold or used for marketing purposes. When ICPHSO identifies outside parties soliciting our members or attendees, we send notices to these organizations to cease and desist, and we also consider further action as appropriate. Any questions, please contact me at mschoem@icphso.org.
